I have recently taken over running the JTC100+ Club and would like to sign up some new members to support this very worthwhile cause.

Each share bought costs £12 per annum (and you can purchase as many as you like!). Half of the funds raised every year go straight to James Terry Court for the benefit of the residents and the rest goes towards the monthly draws which take place at the Coffee Mornings. If you would be interested in joining the JTC 100+ Club, please contact me by email on fieldbeverley@googlemail.com or by telephone on 020 8654 7131 and I will be pleased to send you a joining form.

OFFICIAL OPENING – phase 1

Phase 1 of the re-build of James Terry Court has been officially opened.

The event was attended by over 40 representatives from the Province of Surrey, the Association of Friends and the RMBI.

RMBI President Willie Shackell opened the event and welcomed all attendees. Willie spoke about the history of the RMBI which started in East Croydon with its first Home named 'Asylum for Worthy, Aged and Decayed Freemasons' in 1850. He went on to explain why the re-build of James Terry Court was necessary as the original Home was looking tired and needed to adapt to the ever changing needs of older people.

Thanks were given by Willie Shackell to Dennis Vine who had overseen the development of the Home in his role as Co-opted Trustee, to the residents of the Home for their patience with the building works and to the staff for providing high quality care during the re-build. Julian Birch, Regional Property Operations Manager who sadly passed away in October was remembered for all his efforts in the re-build of the Home

The Association of Friends and the Province of Surrey, Metropolitan Grand Lodge and the Province of Hampshire & Isle of Wight were also thanked for their generous and continued support of the Home and the RMBI.

Eric Stuart-Bamford, PGM of the Province of Surrey went on to speak about his appreciation and gratitude to Home Manager Diane Collins and the staff at the Home for the services they provide to the residents. Mr Stuart-Bamford also recognised the support that the Association of Friends provide to the Home.

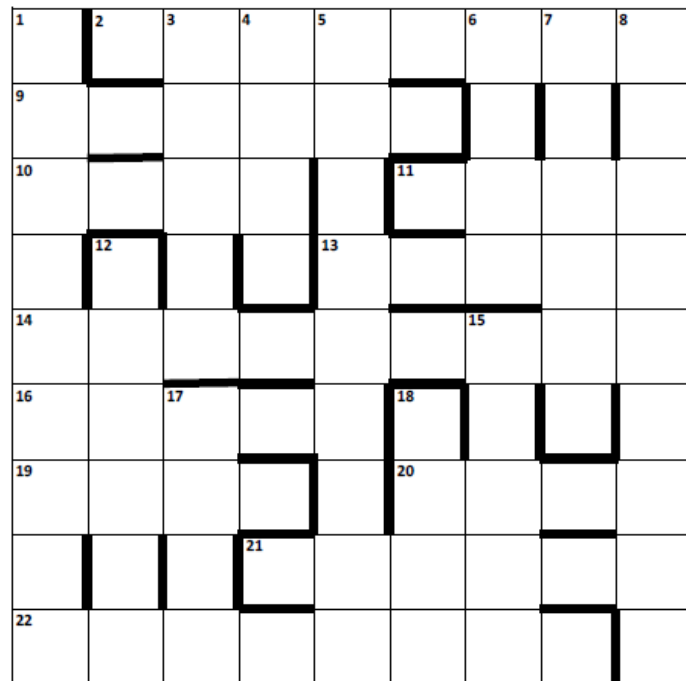

The event saw the official opening of the Lounge and Library by Willie Shackell and also of the Therapy Room by Libby Stuart-Bamford. The Therapy Room was built using the generous donation provided by the Grand Stewards' Lodge as part of their 275th anniversary celebrations.

Those present were given a tour of the new building and ended with canapés and refreshments.

Buy-A-Brick fundraising campaign

You may recall the campaign was a two year project and it ceases on August 4th this year. So far we have received just over £20,000 in donations. As you know one wing is complete and now occupied but you haven't missed your opportunity to subscribe as the second wing is now well under construction. To those who have donated a very big thank you and to anyone thinking about donating please look on our web site fojtc.org and download a form and send your cheque to me. It is £5 for a brick, £50 for a Tree and £500 for a door. Every penny will be put to very good use; you have our absolute assurance, for the benefit of the Residents.

Thank you, John Banks – campaign organiser.

Burns Day is the 25th January each year and the Residents celebrated it in their usual style. The enthusiasm for the Haggis may not have been so high but for the wearing of tartan hats and a wee dram exceeded all expectations.

Edward the chef paraded the Haggis in his customary manner and John Banks in Highland attire addressed the Haggis with the Sassenachs version and Mrs Diane Collins (Home Manager) gave the Selkirk Grace. Those who had Haggis enjoyed it and some who didn't were persuaded to have a taste and were pleasantly surprised by liking it. Who knows, next year we might have a few more bold partakers of the Haggis.

After lunch we had horse racing which was a lot of fun and whilst the race winners were not exactly millionaires, they were delighted to win none the less. Afternoon tea was served with shortcake made by Sandra the Head Chef.

and cleared in time for the residents' supper at 5pm. The proceeds of the Fayre go towards providing Christmas Lunch from the "Friends", Trips to the pantomime and other little luxuries during the Christmas period.

From the Editor

As we go to press the Post Office announced plans to raise the price of the second class postage stamp to 50p. This would significantly raise the cost of distributing your copy of the Court Circular. If you would like to assist us in keeping the cost down and thereby ensuring that more money goes to those who need it most i.e. the Residents, would please let us know if you would be prepared to receive your copy by email. This would be entirely voluntary and would require you contacting me at richardveness@sky.com.

We are also planning to put a copy of the Court Circular on our website starting with this issue. Both copies will be in what is known as PDF format so that it can be printed on any printer. If you decide to download your copy from the website we would very much like to be informed so we do not duplicate copies and thereby increase costs unnecessarily. Your feedback on these suggestions would be much appreciated.
